City of Portland Plan for *Portland Committee on Community-Engaged Policing (PCCEP)*

I. MISSION

To work with the Mayor/Police Commissioner, Portland Police Bureau, and Portland's diverse constituencies to solicit and exchange information between the community and Portland Police Bureau (PPB) to achieve the desired outcomes of equitable policing which exceeds constitutional requirements, and meaningful community engagement with and trust in PPB.

II. GOALS

PCCEP members will independently assess the Settlement Agreement using the tools outlined in this Plan. PCCEP will work to facilitate positive police/community relationships and promote public safety by assessing PPB's current community engagement processes, and developing recommendations and strategies for systems to increase public outreach and engagement with a broad cross-section of the community, to build confidence and improve outcomes.

Additionally, PCCEP members will review and make recommendations on PPB policies touching the DOJ Settlement Agreement and/or key areas of concern, including constitutional policing, use of force, interactions with people experiencing mental illnesses, complaint investigations, and racial justice.

In order for PPB to effectively build trust with Portland's diverse communities, the communities' concerns must be heard and meaningful action by PPB must be taken. To facilitate this outcome, PCCEP members will also make recommendations in the key areas of concern for Portland's diverse communities based on the communities' articulated experiences and grievances.

PCCEP's mission and goals will guide the following:

1. Scope of work
2. Membership
3. City's responsibilities
4. Available tools and resources
5. Members' responsibilities
6. Deliverable products

SCOPE OF WORK

PCCEP will engage with Portland's diverse communities in key areas of concern, including constitutional policing, use of force, interactions with people experiencing mental illnesses, complaint investigations, and racial justice. PCCEP will contribute to the development of the PPB Community Engagement Plan, as directed by the Settlement Agreement between the City of Portland and the United States.

Specifically, PCCEP will be authorized to:

- Develop recommendations for PPB systems to engage meaningfully, both short-term and long-term, Portland's diverse communities and improve community relations. Gather and synthesize information from Portland's diverse communities, and make recommendations based on that information in key areas of concern to communicate to the Mayor, PPB, the Office of Equity and Human Rights, the DOJ, and the public at large.
- Review and make recommendations on PPB directives touching the DOJ Settlement Agreement and/or key areas of concern. Provide information to the community on these directives, and solicit feedback and recommendations from the community to share with the PPB.
- With the Mayor's written approval, and after consultation with the other City Commissioners, PCCEP is authorized to identify for off-schedule review directives not related to the DOJ Settlement Agreement or key areas of concern.¹ PCCEP must provide a written explanation for the request, which will be considered by the Mayor and City Commissioners.
- Provide information to and solicit feedback from Portland's diverse communities through focused and targeted round tables and town halls, to be held at least quarterly and be open to the public. PPB presence is required at quarterly town halls.
- Continue to collaborate with the City on surveys regarding Portland residents' experiences with and perception of PPB's community outreach and accountability efforts. PCCEP will consider survey results in developing recommended strategies.
- Provide ongoing feedback to PPB regarding community engagement initiatives already in progress and those added/needed in the future.
- During the effective period of the Settlement Agreement, appear before the Court at the annual status conference to describe to the Court its assessment of the City's progress toward achieving the goals of the Settlement Agreement.

¹ PPB directives are generally scheduled for Bureau review every two years. The City recognizes that the community has an interest in a number of directives, and particularly those that are relevant to current events (e.g., Directive 635.10. Crowd Management, with respect to demonstrations; Directive 810.10, Arrest of Foreign Nationals with respect to Portland's status as a Sanctuary City). This authority is intended to allow PCCEP to be responsive to community concerns when there is a compelling interest to review and revise a Bureau practice.

III. MEMBERSHIP and REPORTING

PCCEP will be comprised of a diverse group of thirteen mayoral-appointed volunteers, who are committed to improving systems-based police/community relationships and ensuring and exceeding constitutional policing standards. This orientation shall include training on the *United States v. City of Portland* Settlement Agreement. After PCCEP's board orientation, the City shall continue to provide resources for member training as needed so that members continue to fulfill their obligations.

The City shall make appropriate information available regarding PPB's current community engagement initiatives, directives, and directive review and implementation process.

The PPB, in particular, and in accordance with its directive review schedule, shall meet with PCCEP during a universal review period to brief members on directives related to the DOJ Settlement Agreement and/or key areas of concern, provide information as needed/requested, and solicit PCCEP member feedback. The City will provide updates to the community on the status of the City's compliance with its obligations under the Settlement Agreement in the following ways: 1) at the annual status conference before the federal district court; 2) through quarterly community meetings with the COCL either separate from or jointly with the PCCEP, and staffed by the City; 3) through reports on the COCL website; and 4) through other means as appropriate. The United States Department of Justice and the COCL will continue to have responsibility for monitoring the City's compliance with its obligations under the Settlement Agreement during the effective period of the Agreement. After the City is found to be in compliance with the Settlement Agreement and the Court, DOJ and COCL are no longer involved, PCCEP will provide recommendations to the Mayor/Police Commissioner regarding continued assessments of the City's progress, generally, and community engagement.

The City shall provide meeting locations, and work with PCCEP to identify neutral locations that are accessible to and appropriate for the community for public meetings.

To ensure constitutional policing, to closely interact with the community to resolve neighborhood problems, and to increase community confidence, PPB shall work with City resources knowledgeable about public outreach processes, the PCCEP and the PPB's Equity & Diversity Manager to develop a Community Engagement Plan, which shall be adopted by Council following a public hearing.

4. *PCCEP may also provide information to the PPB on other areas related to meaningful community engagement and outreach to contribute to the development of the Community Engagement Plan.
